

# CHALLENGER SERIES

If you need a trophy case that will stand up to the rigors of a busy hallway, a crowded entrance way or an industrial break room, you need the heavy-duty construction of the Challenger Series. Built tough, Challenger Series cases are fabricated with anodized aluminum extrusions, steel shelving hardware, 1/4" plate glass shelves, and sliding tempered glass doors with built-in locks for durable performance. Available in lengths from 48" up to a roomy 144". Challenger Series comes in your choice of three different designs. Made to withstand real world conditions. ■

## RELIANT SERIES

Reliant Series combines the strength and durability of aluminum with the engaging look of wood. Anodized aluminum framing secures the sliding glass doors and incorporates a built-in lock. The accent wood, which comes in oak veneer or wood-grained vinyl, completes the design for a clean, uncluttered appearance. Reliant Series display cases may be used with a separate cornice lighting fixture for an enhanced presentation. Ideal for either traditional or contemporary settings; the Reliant Series is a value-packed choice for the protected display of your treasured memorabilia. ■
